Sacramental Preparation for First Communion and Reconciliation

Dear Parents

At Good Shepherd's, as in many areas of Switzerland, First Communion takes place BEFORE Reconciliation. During preparation for First Communion children learn stories from the Bible, prayers and the structure of the Mass. Children must be at least 7 years of age to make their First Communion. Classes are held during the school year.

In the Sacrament of Reconciliation, children learn that there are consequences to the choices they make. We believe that most children are kind and loving and want to do the right thing. Classes begin in January.
